

# WIRELESS PRINTING FROM WINDOWS 7 LAPTOP

Wireless printing within the library requires you to download and temporarily install a small file to your computer.

1. Go to the Library website at [www.mohavecountylibrary.info](http://www.mohavecountylibrary.info) and choose your library's location,
2. On the right-hand side of the page, click on "Wireless In-Library Printing" to download

the installer file.' [Instructions](#).....

3. Click on "Windows environment [here](#)".

To run the Print Client for a Windows environment, click the link [here](#).

To run the Print Client on a Mac environment (Intel-only), click the link [here](#).

*Note: To close the Mac Print Client, select "Quit LPT One Mobile Print Client" from the LPT One Mobile Print Client menu.*

---

4. After the installation file finishes downloading, choose "Open" then choose "Run" and "Run" again when prompted, to install wireless printing from your laptop.
5. After installation is complete you will see printer name "LPT: One Print Client" on your computer.
6. You are now able to print (The program will automatically uninstall itself when you shut off your computer.)
